

# **5<sup>th</sup> China-Europe Symposium on Biomaterials in Regenerative Medicine (CESB2015)**

**April 7 –10, 2015, Hangzhou, China**  
**3<sup>rd</sup> Circular**

The 5<sup>th</sup> China-Europe Symposium on Biomaterials (CESB2015) is organized by Chinese Society of Biomaterials and European Society of Biomaterials. The CESB2015 symposium will review the developmental trend and the progress on the frontier research of biomaterials sciences and engineering at one of the most beautiful cities in China. This will undoubtedly further promote and stimulate the growth of Chinese-European communities in Biomaterials Sciences and Technologies.

So far, we have confirmed more than 50 world renowned scientists to deliver invited, keynote and plenary presentations. We have also organized 100 oral and 70 poster presentations. Please visit conference website regularly (<http://polymer.zju.edu.cn/cesb2015/>) for updated information.

Welcome to attend the CESB symposium in Hangzhou, China at the flowers-booming season!

## Organization

### ◆ Organizer

Chinese Society for Biomaterials (CCBM)

European Society for Biomaterials (ESB)

Institute of Biomedical Macromolecules, Zhejiang University

### ◆ Scientific committee

**Chairmen:** Tingfei Xi, Abhay Pandit

<b>Members:</b>	Hua Ai	Luigi Ambrosio	Mario Barbosa	Marc Bohner
Yilin Cao	Jiang Chang	Hong Chen	Xuesi Chen	Fuzhai Cui
Lucy Di Silvio	Michael Doser	Changyou Gao	Dirk Grijpma	Pedro Granja
Zhongwei Gu	Yan Jin	James Kirkpatrick	Shipu Li	Changshen Liu
Wei Liu	Matteo Santin	Linqi Shi	Wei Sun	Vincent Torre
Yingjun Wang	Ke Yang	Shenguo Wang	Jun Wang	Meifang Zhu
Renxi Zhuo				

### ◆ Chairmen

Luigi Ambrosio, Matteo Santin, Jiacong Shen, Xingdong Zhang

### ◆ Organizing committee

**Chairman:** Changyou Gao, Qiaoling Hu

**Secretary in general:** Zhengwei Mao

#### Members:

Jie Feng	Jun Fu	Zhongru Gou	Feihe Huang	Jian Ji
Xiang Li	Chunyan Ma	Lie Ma	Hongwei Ouyang	Kefeng Ren
Jingzhi Sun	Weijun Tong	Liyan Qiu	Huiming Wang	Xinping Wang
Zhengke Wang	Wenjian Weng	Aiguo Wu	Juan Ye	Min Zheng

## Topics

✓ Biofabrication

✓ Natural biomaterials

✓ Bio-related Polymers

✓ Biodegradable Metals

✓ Soft Tissue Regeneration

✓ Smart Systems

✓ Stem cells

✓ Biomaterials Surfaces and Interfaces

✓ Nanobiomaterials

✓ Bone Tissue Engineering

## *Plenary speakers*

- ✓ **James Kirkpatrick** (Johannes Gutenberg-Universität Mainz, Germany)
- ✓ **Missirlis Yannis** (University of Patras, Greece)
- ✓ **Yan Jin** (The Forth Military Medical University, China)
- ✓ **Xianzheng Zhang** (Wuhan University, China)

## *keynote speakers*

### **Confirmed Keynote Speakers:**

- Luigi Ambrosio** (Institute for Polymers, National Research Council of Italy, Italy)  
**Serena Best** (University of Cambridge, UK)  
**Marc Böhner** (University of Bern, Switzerland)  
**Yilin Cao** (National Center for Tissue Engineering, Shanghai Second University of Medicine, China)  
**Jiang Chang** (Shanghai Institute of Ceramics, Chinese Academy of Sciences, China)  
**Guoping Chen** (National Institute for Materials Science, Japan)  
**Xuesi Chen** (Changchun Institute of Applied Chemistry Chinese Academy of Sciences, China)  
**Jiandong Ding** (Fudan University, China)  
**Lucy Di-Silvio** (King's College London, UK)  
**Michael Doser** (Institute of Textile Technology, Germany)  
**Elizabeth Engel** (University of Barcelona, Spain)  
**Pedro L. Granja** (University of Porto, Portugal)  
**Zhongwei Gu** (Sichuan University, China)  
**Jian Ji** (Zhejiang University, China)  
**Delin Kong** (Nankai University, China)  
**Peter X Ma** (University of Michigan, USA)  
**Brian Meenan** (University of Ulster, UK)  
**Hongwei Ouyang** (Zhejiang University, China)  
**José Carlos Rodríguez-Cabello** (Universidad de Valladolid, Spain)  
**Matteo Santin** (University of Brighton, UK)  
**Wei Sun** (Tsinghua University, China)  
**Vincent Torre** (International School for Advanced Studies, Italy)  
**Dongan Wang** (Nanyang Technological University, Singapore)  
**Wenxin Wang** (University College Dublin, Ireland)  
**Jun Wang** (University of Science and Technology of China, China)  
**Min Wang** (The University of Hong Kong, HK)  
**Jian Yang** (Penn State University, USA)  
**Yufeng Zheng** (Peking University, China)  
**Meifang Zhu** (Donghua University, China)

## Registration Information

### ◆ Registration Fee

	After 13 March 2015	On Site
<b>Participant Member*</b>	<b>€ 650</b>	<b>€ 800</b>
<b>Participant</b>	<b>€ 750</b>	<b>€ 900</b>
<b>Student**</b>	<b>€ 300</b>	<b>€ 350</b>
<b>Accompany person</b>	<b>€ 250</b>	<b>€ 300</b>
<b>Industrial</b>	<b>€ 800</b>	<b>€ 950</b>

\* Member of the IUS-BSE societies

\*\* Certificate of student status is necessary

\*\*\* The registration fees include the proceeding, meals, gala dinner, and coffee break.

## Presentation

### ◆ Time for Presentation

Plenary Speaker: 45 min (40 + 5 min discussion)

Keynote Speaker: 30 min (25 + 5 min discussion)

Invited Speaker: 20 min (15 + 5 min discussion)

Oral presentation: 15 min (12 + 3 min discussion)

- ◆ Each presentation room is equipped with a laptop and a projector. Speakers may also use their own laptop, but are kindly recommended to test the connection and PPT in prior.

## Poster Presentation

The posters should be prepared with a size of 120 cm (Height) x 90 cm (Width). All posters will be numbered and presented on April, 8-9. Authors are kindly requested to be in front of the poster at least during the obligation time for presentation and discussion.

### ◆ *Venue and Accommodation*

**Huagang HNA Resort (Hua Gang Hai Hang)** <http://www.hz-haihang.com/>

No. 1 Yang Gong Di, West Lake District - West Lake Scenic Area, Hangzhou, China

We will have volunteers at Shanghai Pudong airport and Hangzhou Xiaoshan airport as guide

Single room/Double room: 450 -480 RMB/day (including breakfast and internet, shall be booked from conference organizing committee)

### ◆ *Time and place for registration*

Time: 1 pm-8 pm, April 7<sup>th</sup> , 2015

Place: Hotel lobby
