

Jul. 31		Aug. 2		Aug. 4
15:00-19:30	Registration	Attending the International Forum of Biomedical Materials (IFBM): Biomaterials Interfaces and Nanobiomaterials		8:00-17:00 Biomaterials Industry tour in Hangzhou City tour (The West Lake)
Aug. 1				
8:30-9:00	Opening Ceremony, Photo taken	16:00-18:00	Introduction and discussion: the students introduce themselves and present their latest research results by using slides. About 3 minutes for each student, including a slide for self-introduction.	
9:00-9:30	Graduate education in Zhejiang University			
9:30-10:00	Introduction to the Department of Polymer Science and Engineering			
10:00-10:30	Coffee Break			
10:30-11:00	Biomaterials research in Zhejiang University.			8:00-17:00 Biomaterials Industry tour in Shaoxing. Zhejiang Haisheng Medical Device Co., Ltd. http://www.hisern.com/en/index.aspx City tour in Shaoxing
		Aug. 3		
11:00-11:30	Biomaterials research in mainland China.	Attending the International Forum of Biomedical Materials (IFBM): Biomaterials Interfaces and Nanobiomaterials		
11:30-12:00	Biomaterials Industry in mainland China.			
12:00	Lunch	14:00-15:30	Discussion with the representative speakers face-to-face. The Summer School participants have to attend the following lectures presented at IFBM. (The selected lectures to be determined)	Aug. 6
				8:30-9:00 Close ceremony and departure (can be moved to Aug. 5).
14:00-18:00	Campus and Biomaterials Lab tour in Zhejiang University			
18:00	Dinner
